Dear Lou Buty,

On behalf of the Delancey Street Foundation, I'd like to express our sincere thanks to you for your generous donation of 200 cases of 8 oz. bottles of hand sanitizer which you value at \$12,000.00. This donation is not done for trade of services or goods, and is an important reflection of your commitment to the community.

As you know, Delancey Street receives no funding from clients or from tax dollars for our work helping substance abusers, homeless people, and others who have hit bottom rebuild their lives. Your donation is truly critical to our work.

As the violence and hopelessness in society grows, the number of people trying to enter Delancey Street increases daily. We are only able to continue to provide the opportunity to teach our residents to re-enter society as productive citizens because of the help of friends like you. There is no way we can adequately explain how much your support means to us.

Once again, we thank you.

Sincerely,

Sheila Harvey
